OVERVIEW

Buildtech is a first class engineering and construction firm specializing in mechanical, civil, automobile and electrical works in Bangladesh. Known for delivering comprehensive, end-to-end infrastructure solutions, we bring visionary thinking and technical excellence to every project we undertake. With a diverse portfolio spanning public infrastructure, industrial facilities, and private developments, Buildtech stands as a trusted partner in building the future.

Mission

- Deliver high-quality, cost-effective projects on schedule.
- Foster a culture of safety, collaboration, and continuous improvement.
- Supply various types of machines, equipment and spare parts at very competitive price
- Drive sustainable practices across all disciplines.
- Build long-term relationships through transparency and trust.

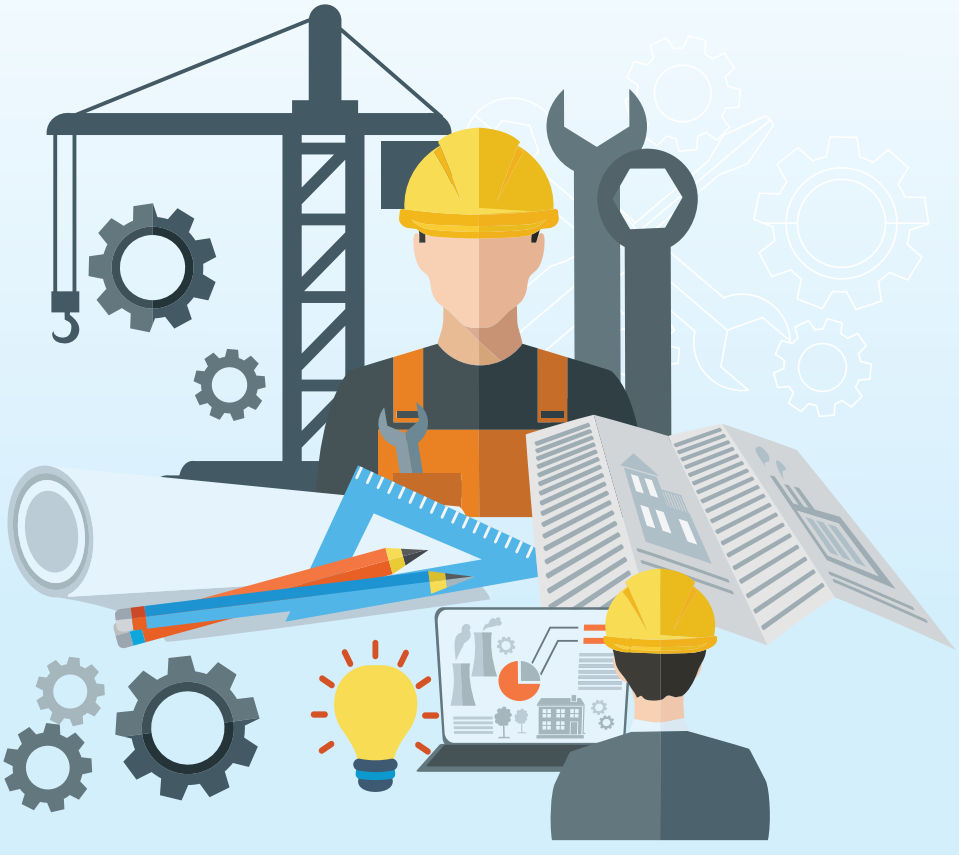

Vision

- To be a leading force in sustainable infrastructure by delivering innovative, integrated, and enduring engineering solutions.

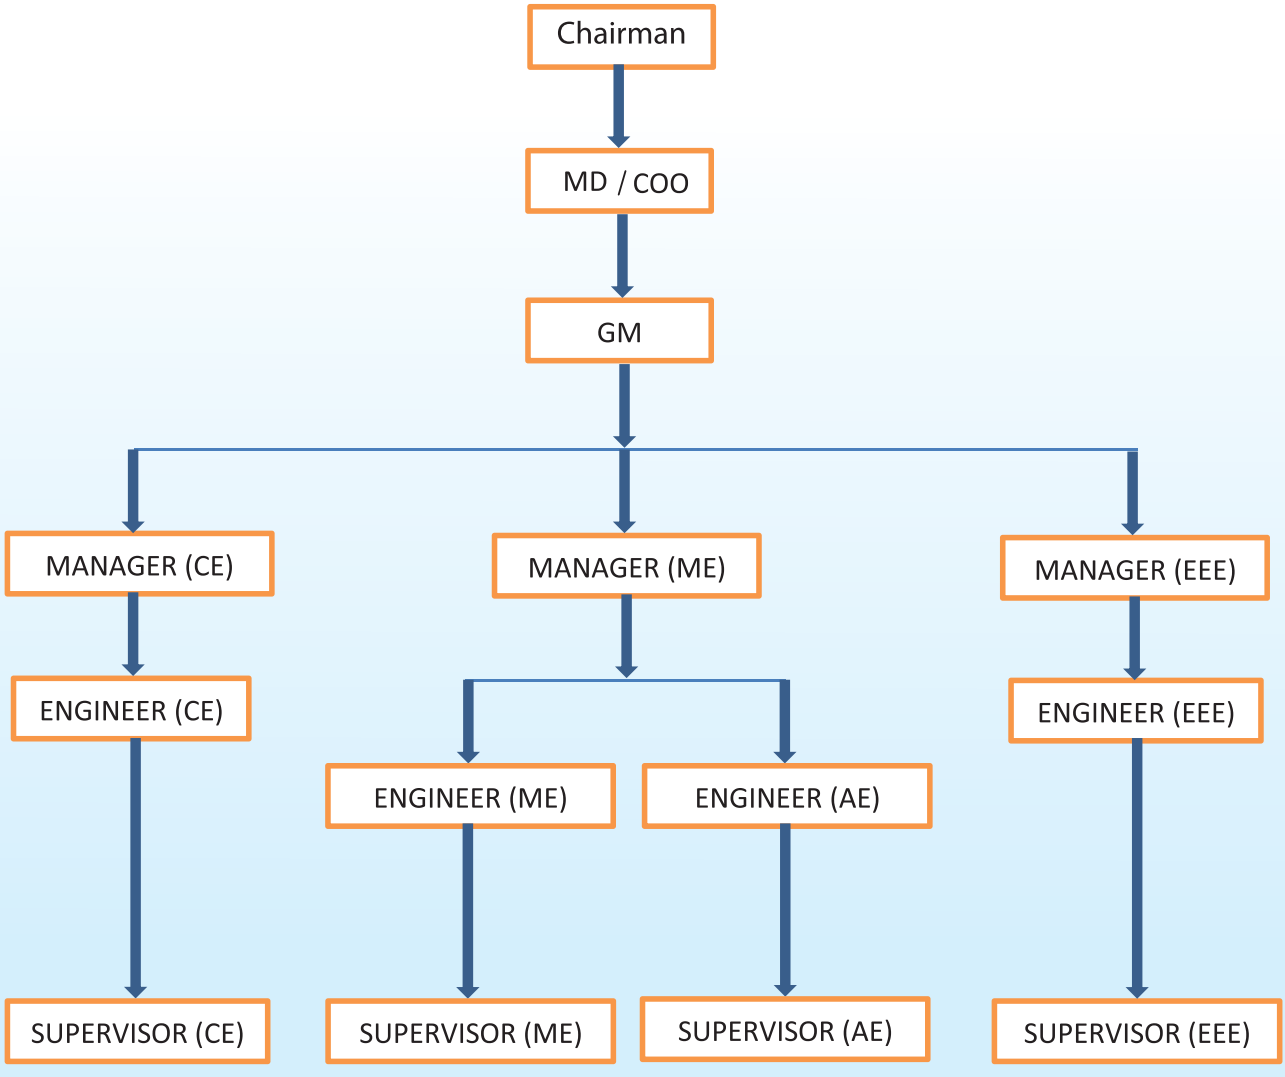

WHY CHOOSE BUILDTECH?

- Integrated Services: We streamline civil, electrical, and mechanical works under one umbrella for seamless project delivery.
- Experienced Team: Our multidisciplinary experts bring deep domain knowledge and problem-solving capabilities.
- Technology-Driven: We embrace innovation through BIM, CAD/CAM, project management software, and sustainable technologies.
- Safety First: Every project is executed with strict adherence to international safety and environmental standards.
- On-Time Delivery: We prioritize efficient planning and coordination to meet timelines without compromising quality.

OUR SERVICES

1. Mechanical Engineering

Our mechanical division brings deep expertise and precision to complex systems:

- Industrial machinery installation
- Total solution of crane management system including spare parts
- Mechanical commissioning and maintenance
- Fabrication, welding, and piping
- Supply all kinds of mechanical spare parts
- Supply, installation and commissioning works of ETP/WTP/STP
- HVAC, Chiller, Heat Exchanger and ventilation systems
- Fire protection and plumbing
- Total solution of HSE management

Buildtech uses cutting-edge tools and quality-controlled fabrication processes to deliver durable and efficient mechanical installations.

GAZI

2. Automobile Engineering

Our experienced team is involved in mechanical, electrical and washing of automobile sectors.

- Dismantling and assembling of engine
- Total solution of engine works
- Total solution of denting and painting works
- Total solution of electrical system
- Supply all kinds of automobile spare parts
- Cleaning and washing of vehicles.

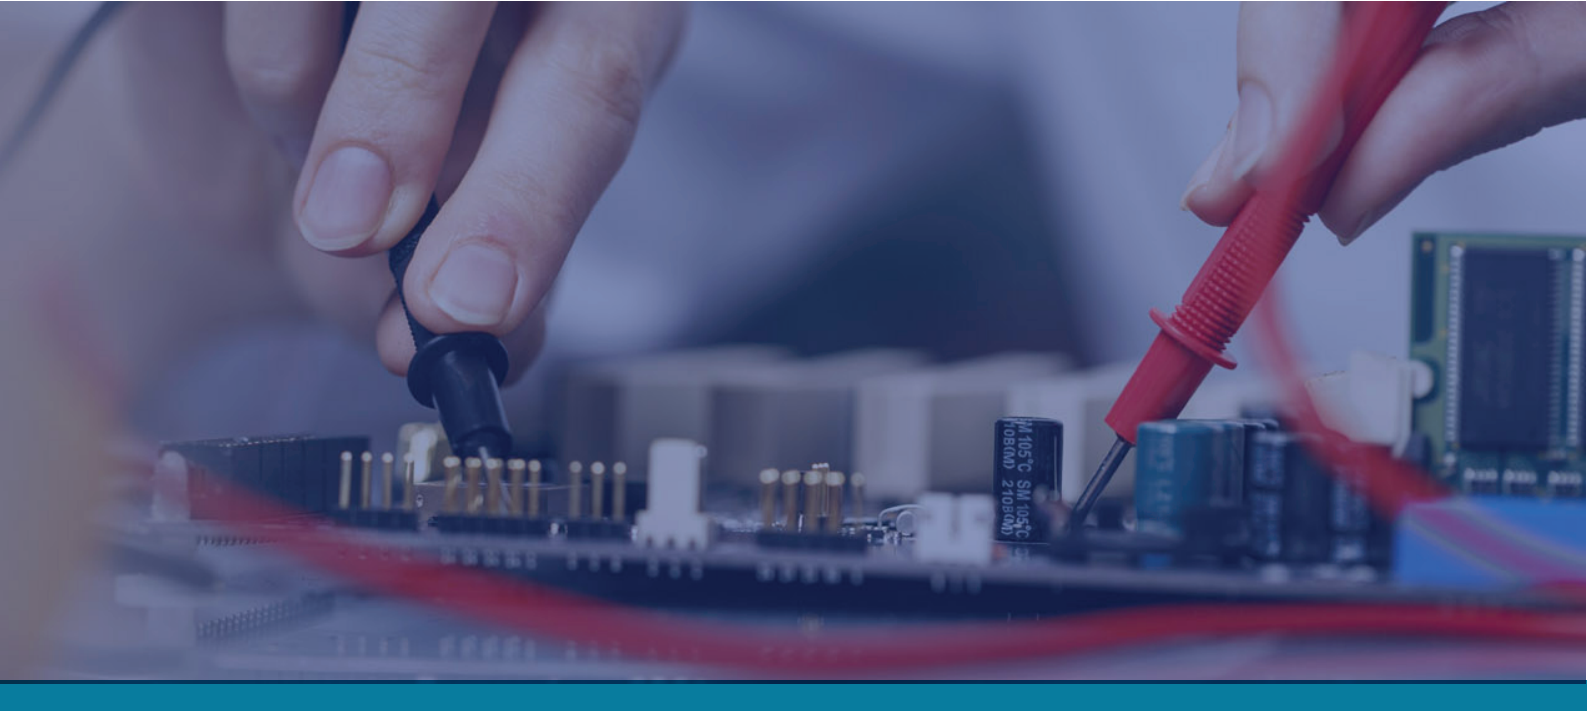

3. Civil Construction

Buildtech's civil engineering division offers robust, scalable, and sustainable solutions, including:

- Roads, bridges, and highways
- Steel building design and complete project works
- Residential and commercial buildings
- Drainage and water systems
- Industrial structures and foundations

We combine precision engineering with modern construction techniques to ensure structural excellence and regulatory compliance.

4. Electrical Engineering

From power distribution to industrial automation, Buildtech delivers efficient and reliable electrical systems:

- Medium and low voltage installations
- Switchgear and substation installations
- Lighting and energy management systems
- Supply all kinds of electrical spare parts
- Supply generator, lift for the project
- Solar and renewable energy integration
- Electrical maintenance and upgrades

Safety, energy efficiency, and seamless execution are at the core of our electrical services.
